IMPORTANT GUIDELINES using the WorkAdventure maps

- You arrive to Greenland, which is one of the most endangered areas of the planet.
- To create games around protecting our biodiversity please move to your region
- There are 3 regions: INDIA, USA, EUROPE
- Every region is set up similar and all have access to the SAME auditorium where we will meet frequently to start our day (marked in the agenda)
- In each region you will be able to find the HR area for your session
- You can book the sessions [here](#); please only book 1 slot per participant
- If you need help find the helpdesk of each region and meet one of our staff
- Communication will continue to be on discord

WHAT'S IN THERE FOR ME?

- Loads of fun interaction & networking with global gamers
- Games to win fun goodies chosen by Intel/ Sogeti
- Time to chat to HR about your career opportunities, CV or goals
- Participant certificates for active participation
