IMPORTANT GUIDELINES using the WorkAdventure maps

- You arrive to Greenland, which is one of the most endangered areas of the planet.
- To create games around protecting our biodiversity please move to your region
- There are 3 regions: **INDIA, USA, EUROPE**
- Every region is set up similar and all have access to the SAME auditorium where we will meet frequently to start our day (marked in the agenda)
- In each region you will be able to find the HR area for your session
- You can book the sessions here please only book 1 slot per participant
- If you need help find the helpdesk and meet one of our staff
- Communication will continue to be on discord
